

PROGRESSIVE DESIGN-BUILD

The Owner's Perspective

Progressive Design-Build (PDB) is becoming increasingly more popular among owners. There are many attractive benefits to PDB for both owners and practitioners. In this seminar Iraj will discuss the various nuances of PDB, and how he has applied it to his capital program to achieve more predictable results.

Learning Objectives

- What is progressive design-build? How does it work?
- Investment in projects, not procurements
- Schedule advantages
- Managing project risk as a team
- Success strategies
- Better opportunities for local subcontracting
- CM's role in a Progressive Design-Build
- Capital budget management
